Associated General Contractors of Minnesota Scholarship Application

AGC of Minnesota has a proud tradition of providing scholarships for outstanding students. **To qualify you must attend a post-secondary school located in Minnesota with an academic concentration on construction or construction-related courses.** To apply for a 2010-2011 academic year scholarship, you need to complete this form and include the following documents:

1. A copy of your most current university or technical school transcript.
2. A "Personal Information" document (typed) that contains information relevant to the selection committee that will assist us in assessing the merits of your scholarship application. It should include information such as:
 - your work related experience (including part-time and summer)
 - your involvement in student or community organizations
 - honors or awards you have received
 - your financial situation (i.e., financial need)
 - other information you feel is appropriate
3. "Academic Course Plan" for your concurrent and remaining semesters. A one page (typed) "Career Objectives" document that outlines your current short and long-term career plans.
4. A recent color photo (headshot preferred): please email to jsanem@agcmn.org
